NOTES AND ORDERS.

Sd. The Comptroller's contention seems to have some force in it. Even though he has nothing to do with the accounts, yet his signature seems to be necessary as a representative of Govt.

SIR,

With reference to your letter No.R.10655/I.B.120-18-7 dated 16th March 1920 re the Debentures of the Hassan District Board being countersigned by me, I have the honour to state that the order(referred to in the above letter) communicated in Fl.No.2981/GF.120-16-2 dated 13-12-1916 in respect of the Debentures of the Shimoga and Chitaldrug District Board and Municipal Loans. That order is not applicable to this case since the loan is raised and the amounts are collected and accounts maintained by the District Board without any reference to this office re procedure in Treasuri maintenance of accounts of the collections, payment of interest on the collections &c. As there are no details in this office in respect of the collections already made to enable me to countersign th lebentures, I do not see the objection of my countersignature on t ~~Boards~~ Bonds of this loan. Such countersignature cannot be only a matter of ~~more~~ mere formality without any responsibility attaching to this offi in respect of the amounts collected and accounts maintained.

I have the honor to be,
Sir,
Your most obedient servant,
T. Satyaraj Chetty
Comptroller.
